

**DRONACHARYA GROUP OF INSTITUTIONS, GREATER NOIDA**

**Department of ME**

# **OUR ACHIEVERS**

**(January 2016 - June 2016)**

Project titled “Self Destructible Packaging Design for Anti-Counterfeiting” (Projectee: Naveen Purohit, Rohit Kumar and Tapan Singh of ME VI semester ) won the second prize in Packaging Design Competition organized by Society of Indian Automobiles Manufactures (SIAM) at Auto Expo 2016, IEML, Greater Noida on 5th February, 2016.

Aakashdeep Chaudhary & team of VI Sem ME students won First Prize for their project, “Sensor based Parking System” in Science Expo, INNOVISION 2016 held on 10th March, 2016 at NSIT, New Delhi.

Ritesh Rai, Shiva Chauhan, Pradeep Prasad and Rohit Karotia of ME Branch won first prize for their project, "Efficient Mechanical Rickshaw" in the event organized by Amity University on 18 March 2016.

Project titled "LABOURER LOAD REDUCER" of ME VIII Semester won 3rd prize in the event organized by Amity University on 18 March 2016.

Mohit & Team students of VI Sem, Mechanical Engineering Department won First prize of Rs. 51,000 in National Level Project Competition Technoblast-2016 organised by Dronacharya Group of Institutions, Greater Noida on 8th & 9th April 2016.

A research paper Titled "Efficient Mechanical Rickshaw" by Shiva Chauhan & Ritesh Karotia, of VIII semester got published in "An International Journal of Advanced Technology in Engineering & Science (IJATES)", Volume 4 Issue 5 May 2016.

Lokesh Sharma, Jithin Lal V J, Ashok Kumar & Kshitiz Srivastava VIII semester student have presented a paper titled "Labourer Load Reducer" in an International Conference (LATMAS-2016), IIMT, Greater Noida on 20th February, 2016.

Student of 2012-2016 Batch has been placed in Motherson Sumi, IIT Delhi, Manya Group, Lohia Group, Ways2Capital, Phistream Consulting Private Limited, Channel Play Limited, Hyper filtration pvt. Ltd.

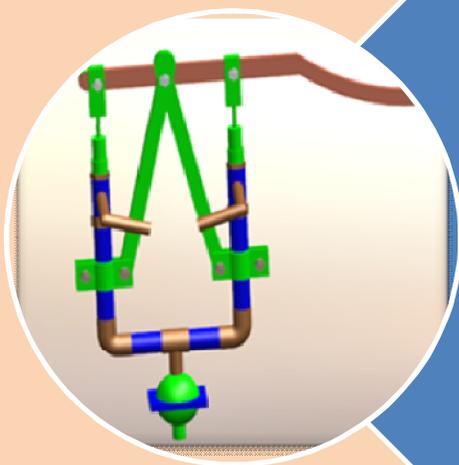

**Department of Mechanical Engineering**

# **ACHIEVEMENTS**

**(July 2015 – December 2015)**

Four Patents has been filed, having Patent Numbers 2827/DEL/2015, 4241/DEL/2015, 4244/DEL/2015 and 4245/DEL/2015 "

Two Projects "**Modified Double Cylinder Hand Pump**" (Projectee: Jithin Lal student of VII Sem) and "**Efficient Mechanical Rickshaw**" (Projectee: Shiva Chauhan student of VII Sem) has been selected for **UPP Mini Project (IEEE) funding on 28 september 2015.**

Lokesh Sharma, VII semester student has presented a paper titled "Labourer Load Reducer" in India International Science Festival held during 4-8 December 2015 at IIT Delhi.

## PLACEMENTS

Students of 2012- 2016 Batch have been placed in various Companies like Virtual Labs-IITD, Ways2Capital, Chennel Play, Motherson Sumi, PhiStream, General Motor India and Posist Technologies.
